◆ ROUNDUP READY® CORN		◆ ROUNDUP READY® CORN	
◆ French's 275 RR RM(2440 GDD) 102 Day			
<ul style="list-style-type: none"> <li>◆ Roundup Ready® technology</li> <li>◆ Excellent fall appearance with open husks</li> <li>◆ User-friendly on all yield levels and soil types with medium to high populations</li> <li>◆ Above average disease tolerance</li> <li>◆ Keep population above 30,000</li> </ul> 		Roundup Ready®. These hybrids contain a gene that makes the crop tolerant of application of glyphosate-based Roundup® Brands and allows application of such brands in-crop for control of specific weed problems. A pre-emerge herbicide program is strongly advised when utilizing Roundup Ready® corn.
